

From Beebonding to Apimondia2025 Congress

Bee Free Early Morning Walk

Join a local beekeeper for a morning walk through the city of Copenhagen. The walk will be approximately 5 km, 1 hour. We will pass some of the major sights, get some fresh air and still be ready for Apimondia from the morning.

Visit Copenhagen's magical urban honey project

Daily visits to the headquarters of ByBi, just down the road from Bella Center, every day during Apimondia. We work with artists, researchers, community groups and businesses to build communities where animals, plants and people thrive.
