### FULL FOCUS ON HONEY

This congress places special emphasis on the amazing products of beekeeping, highlighted through two exciting new initiatives:

**GLOBAL HONEY BAR** - The world's largest honey tasting buffet features exotic varieties from over 40 countries, including both *Apis mellifera* and stingless bee honeys. Congress participants can taste them all, and each honey will have its own website with background stories. Denmark, Norway, and Sweden will also present a special Scandinavian Honey Bar with regional delights.

See the presentation of the participating honeys here:

### NETWORKING AND SOCIAL EVENTS ARE TOP PRIORITY

For the Scandinavian hosts, creating opportunities to build new bonds between beekeepers worldwide is the highest priority. You will experience this throughout the congress – here are just a few highlights:

**OPENING RECEPTION** - On 23 September, all participants are invited to taste Scandinavian specialties and start networking from day one.

**BEE BONDING** - Scandinavian beekeepers extend their hospitality with open apiaries, tours, overnight stays, and exciting activities. Book your Scandinavian adventure at [www.beebonding.com](http://www.beebonding.com)

**EVENING BAR** - In the evenings, all participants are welcome at Proud Mary bar, which offers free entry and special discounts on honey-based drinks for congress badge holders.

**DINING TOGETHER** - In Copenhagen's city center you will find an excellent range of restaurants, some of which have created special menus featuring beekeeping products.

### BECOME A WORLD CHAMPION REGISTER YOUR PRODUCT BY 5 SEPTEMBER

The World Beekeeping Award (WBA) is the beekeeping world championship, where prizes are awarded for the best products and innovations. You can participate in this competition with beeswax, photographs, mead, and more.
